### F-84F Thunderstreak

The newest book in the Duke Hawkins series is about to be released: DH-039 is an 84 page book on the Republic **F-84F Thunderstreak**, a 1st generation jet that has seen action in 12 countries.

While the jet was underpowered, it proved to be a reliable asset and contrary to many of its contemporaries, in some air forces, it remained in service for quite a long time.
